

## Individual Membership Form

### Personal information

Title: **Dr.**

Gender: (M/F) **M**

Name: **LI, Yajun**

Suffix:

Mailing address (Street or Postal Box): **Xueyuan Road 29**

City: **Beijing**

Province/State: **Beijing**

Postal code: **100083**

Country: **China**

Email address: **y.j.li@cugb.edu.cn**

Website: **<http://yajunli-cugb.simplesite.com/>**

Phone number: **+86-010-82321196**

Fax number:

Current affiliation: **China University of Geosciences**

Job title: **Lecturer**

### Education Background

Highest degree received: **Ph.D.**

Received from: **Delft University of Technology**

Major: **Geo-engineering**

### Professional background

Professional background relevant to GEOSNet:

(1) Probabilistic soil mechanics, effect of 3D soil variability on geotechnical performance, reliability and safety of soil-structures

(2) Reliability-based design of geotechnical systems, LRFD

Main reasons for your interest in GEOSNet and potential contributions to the network:

(1) To collaborate with professionals in the area

(2) To contribute to the general development and application of reliability methods in geotechnical engineering
