Personal information

Title: **Dr.** Gender: (M/F) **M**
Name: **Lopez-Caballero, Fernando** Suffix: **--**
Mailing address (Street or Postal Box): **Grande Voie des Vignes**
City: **Châtenay-Malabry** Province/State: **--**
Postal code: **92160** Country: **France**
Email address: **fernando.lopez-caballero@ecp.fr** Website: **http://www.mssmat.ecp.fr/**
Phone number: **+33141131454** Fax number: **+33141131442**
Current affiliation: **Laboratoire MSSMat – Ecole Centrale Paris**

Job title: **Researcher**

Education Background

Highest degree received: **Ph.D.**
Received from: **Ecole Centrale Paris**
Major: **Geotechnical Engineering – Numerical simulation**

Professional background

Professional background relevant to GEOSNet:

Geotechnical/Structural Earthquake Engineering

Main reasons for your interest in GEOSNet and potential contributions to the network:

My researches Interest are risk and reliability of geotechnical systems and numerical simulation in earthquake geotechnical engineering.
