

## Individual Membership Form

### Personal information

Title: Mr.

Gender: (M/F) Male

Name: Hem Bahadur Motra

Suffix:

Mailing address (Street or Postal Box): Eichenbergskamp 18

City: Kiel

Province/State: Schleswig Holstein

Postal code: 24149

Country: Germany

Email address: hbmotra@gmail.com

Website: <https://www.linkedin.com/pub/hem-motra/69/4a0/38>

Phone number: +494318801979

Fax number: +494318804376

Current affiliation: University of Kiel

Job title: Researcher

### Education Background

Highest degree received: Dr.-Ing

Received from: Bauhaus University Weimar, Germany

Major: Geotechnical safety and reliability

### Professional background

Professional background relevant to GEOSNet:

I like the field I am working in Reliable engineering computing, Structural Reliability, Risk and , Hazard Analysis, Uncertainty modeling in Structural and Geotechnical Engineering, Quality Evaluation of Numerical/Mathematical models, Quality Evaluation of Experimental Methods/Models, Probabilistic Methods in Structural and Geotechnical Engineering

Main reasons for your interest in GEOSNet and potential contributions to the network:

The main reason for my interest in GEOSNet is I am working and interest to safety and reliable design of geotechnical related structures. I like the field I am working and I want to further invest my time in this field.
