### Personal information

Title: **Dr.**

Gender: (M/F) **M**

Name: **PAPAIOANNOU, Iason**

Suffix: **-**

Mailing address (Street or Postal Box): **TU München, Arcistr. 21**

City: **München**

Province/State: **-**

Postal code: **80290**

Country: **Germany**

Email address: **iason.papaoannou@tum.de**

Website: **www.era.bv.tum.de**

Phone number: **+49 89 289 25038**

Fax number: **-**

Current affiliation: **TU München**

Job title: **Senior researcher at the Engineering Risk Analysis group**

### Education Background

Highest degree received: **PhD**

Received from: **TU München**

Major: **Civil Engineering and Computational Mechanics**

### Professional background

Professional background relevant to GEOSNet:

**Research and application of methods for reliability analysis, reliability updating and reliability-based design of geotechnical structures, with focus on the modeling of the spatial variability of the mechanical properties of the soil material.**

Main reasons for your interest in GEOSNet and potential contributions to the network:

**Exchange of ideas and possible research developments**
