

## Individual Membership Form

### Personal information

Title: **Dr.**

Gender: (M/F) **M**

Name: **VIVIESCAS, Juan Camilo**

Suffix: **-**

Mailing address (Street or Postal Box): **Calle 67 No. 53 – 108**

City: **Medellín**

Province/State: **Antioquia**

Postal code: **055400**

Country: **Colombia**

Email address: **juan.viviescas@udea.edu.co**

Website: **-**

Phone number: **+57 3108451687**

Fax number: **-**

Current affiliation: **Universidad de Antioquia**

Job title: **Part time Lecturer**

### Education Background

Highest degree received: **PhD.**

Received from: **Universidad de Antioquia**

Major: **Civil Engineering**

### Professional background

Professional background relevant to GEOSNet:

**Research in the probabilistic characterization of soil properties, especially in the shear strength variation with depth and random fields, with a focus on the influence of the geological origin in geotechnical engineering from the reliability-based designs point of view.**

Main reasons for your interest in GEOSNet and potential contributions to the network:

**Exchange of ideas, new possible developments, and international collaborations.**
